Subject: NIAA e-grants - Decision on Application ID WKRO-2016-0028

29-Jun-2016

YOU MAY BE RECEIVING THIS MAIL IN COPY FOR INFORMATION ONLY

Dear Dr. Highton:

The NIAA grants committee met yesterday to consider your application for support. I am delighted to be able to inform you that your application was recommended for support in the sum of £9,076.

This e-mail is a formal notification of funding for which we would request an acceptance e-mail with cc to all. Please note that if we do not hear from you within two weeks of the date of this award notification then the award will be withdrawn.

For your information I attach a copy of your peer review.

Please have a look at the abstracts of your application as we will post onto the NIAA (and partner) websites along with funding details. Please let me know if there are any (small) changes that you may wish to make.

In order to claim the funding you (or your finance office) will need to contact AAGBI directly and for your information I copy the relevant details below. There may be some additional conditions (e.g., the need for interim/final reports) that the project funder will provide.

All funding queries should be directed to AAGBI and NOT NIAA.

Claims to AAGBI secretariat: secretariat@agbi.org

Successful applicants should contact their CLRN as soon as the award is made and work with them to obtain NIHR portfolio approval and support.
